# FURTHERING OUR MISSION THANKS TO COMMUNITY PHILANTHROPY

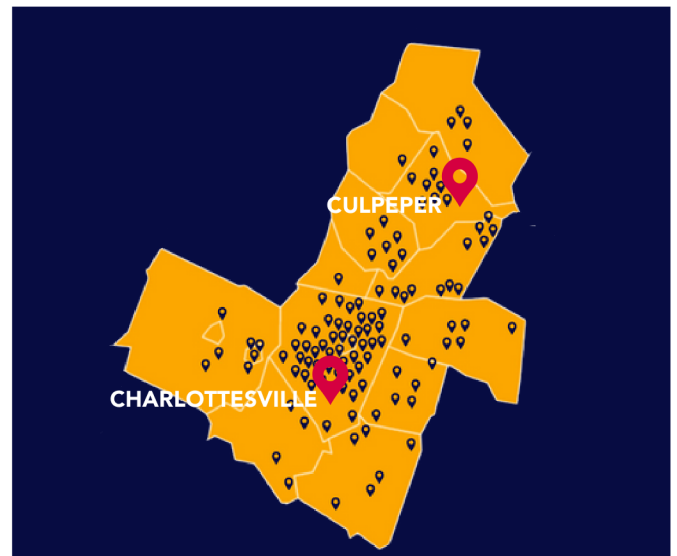

As a nonprofit hospice, community philanthropy plays a crucial role in supporting meaningful programs and services that enable patients and their loved ones to focus on what matters most.

Through the collective efforts of generous donors, Hospice of the Piedmont can continue to fulfill its mission – guiding life's final journey with expertise and empathy – providing compassionate care that ensures comfort, dignity, and peace for all in need.

## OUR VISION

Through our vision – to reimagine the way our community views and experiences serious illness, dying and grief – we can transform the end of life journey into one of connection, dignity, and hope.

We proudly serve the City of Charlottesville and the counties of Albemarle, Augusta, Buckingham, Culpeper, Fauquier, Fluvanna, Greene, Louisa, Madison, Nelson, Orange, and Rappahannock.

## THANK YOU

Community philanthropy enables Hospice of the Piedmont to offer care that extends beyond conventional hospice services, and for this, we are thankful.
