SERVING THOSE WHO HAVE SERVED US

Held annually in conjunction with Memorial Day, the Piedmont Golf Classic not only celebrates the joy of golf but also honors the sacrifices made by our nation's veterans. Memorial Day is a time to remember and reflect on those who have given their lives in service to our country. At Hospice of the Piedmont (HOP), we are deeply committed to meeting the unique needs of veterans, going above and beyond to provide them with the care and respect they deserve.

We are a proud Level Four Partner of the *We Honor Veterans Program* and through our Veterans' Services program, we help ensure veterans receive the recognition, care, and dignity they deserve as they approach their final journey. Through this philanthropic initiative, HOP provides personalized, veteran-centered care that honors their service and addresses their specific physical and emotional needs.

As a nonprofit organization, we rely on the generosity of our community to continue providing these vital services and to expand programs like our Veterans' Services. Community philanthropy plays a crucial role in sustaining our mission and ensuring that we can continue to offer this essential care to all in need.

We are incredibly grateful for the support of our community and for the opportunity to serve those who have given so much. Thank you in advance for being part of our mission and for helping make a lasting difference in the lives of those who rely on our care. Your support of Hospice of the Piedmont is truly appreciated and deeply valued.
