

PHILANTHROPY SUPPORTED PROGRAMS AT HOSPICE OF THE PIEDMONT

As a nonprofit hospice, philanthropic support is essential to ensuring that Hospice of the Piedmont can continue to provide compassionate, high-quality care for patients and families facing serious illness and end-of-life journeys. This support helps sustain and expand vital programs, allowing us to offer meaningful services that address the physical, social, emotional, and spiritual needs of those we care for.

Our Mission

To guide life's final journey with expertise and empathy.

What Matters Most

We're here to support all members of our community regardless of their ability to pay.

Nonprofit Hospice

The only nonprofit hospice provider in our core service area.

PHILANTHROPY SUPPORTED PROGRAMS AT HOSPICE OF THE PIEDMONT

The following programs are all funded thanks to generous community philanthropy.

HOP's Greatest Need

Gives HOP the flexibility to direct resources where they are needed most at any given time across all philanthropically supported programs, ensuring that patient needs and opportunities can be addressed quickly and effectively.

Community Outreach and Engagement

Educates the community on hospice care benefits, end-of-life planning, and overall hospice support through events, workshops, health fairs, and community engagement opportunities.

Companion Pets

Supplies lifelike robotic pets offering comfort and companionship to patients, especially those with dementia or experiencing loneliness.

Compassionate Care Fund

Covers hospice benefits for patients without Medicare, Medicaid, or private insurance, so no one is denied care due to financial hardship. Provides "above and beyond" care, including certain medications, treatments, etc. that support patients but aren't typically covered.

Death Doula Program

Provides trained volunteers who offer non-medical, emotional and practical support to patients and/or family members.

Education

Supports HOP staff with scholarships and professional development opportunities, allowing them to deliver expert, compassionate care to those we serve.

Grief and Healing

Offers counseling and support groups for anyone in our community coping with loss, helping individuals and families navigate grief with compassion.

Hospice House

Offers 24/7 care in a peaceful, home-like setting. Available for patients needing support outside of the home, or who have no caregiver or any other place to call home.

Kids' Grief and Healing

Provides a safe environment for children and teens to process grief and learn they are not alone. The program includes our Journeys Camp, 1:1 support, workshops, and in-school counseling opportunities.

Palliative Medicine

Provides expert care for those with serious illness, focusing on symptom relief, comfort, and emotional support while still allowing patients to receive curative treatments.

Pediatric Care Program

Provides specialized care, comfort, and support for children with serious illnesses and their families. This program helps meet the unique physical, emotional, and practical needs of pediatric patients while offering guidance and compassionate care to parents and siblings.

The Serenity Fund

Assists with urgent needs like utilities, home supplies, or funeral costs for patients, easing burdens so families can focus on time together.

Supportive Music

Offers personalized live music led by trained professionals helps ease pain, anxiety, and stress, while bringing comfort to patients and their families.

Veterans' Services

Honors veterans with specialized end-of-life care, recognition ceremonies, and support tailored to their unique needs.
